<b>Service Levels:</b>
<b>Onsite Repair</b>
<b>24x7 Same Day:</b> Every day, including IBM holidays. When onsite service is required, a service technician is scheduled to arrive at your site within 24 hours of receiving the call, but typically arrives within two to four hours after remote problem determination is completed.
<b>9x5 Next Business Day:</b> A service technician is scheduled to arrive at your site on the business day after we receive your call. Business days are Monday to Friday, 8 a.m. to 5 p.m. in your time zone, excluding IBM holidays.
<b>Onsite Exchange</b>
<b>EasyServ Exchange (Depot):</b> A courier will deliver a replacement machine to you in exchange for your failed machine, and a service technician will arrive to uninstall the failed machine and install the replacement machine. IBM will ship the replacement the same day the service call was received, with next day delivery. If the service call is received after 8:00 p.m. (EST), the replacement machine will be shipped the following business day. In addition, the service technician will handle all return shipping responsibilities. All shipping and handling is paid for by IBM. IOE 9x5ND = IBM On-Site Exchange, Monday - Friday excluding holidays, next business day response.
